

The set up is at home.

Scene Starts: *Animated , the child enters the house from school and she is very upset.*

Child: Mom, Mom, Madam Jane, Madam Jane hates me! *(holds her her with both hands a sign of being upset)*

The mother: what about Madam Jane?

Child: She hates me, every time she wrongly accuses me, change me from that class! Go tell Madam Jane to change me from that class. Those people keep accusing me and I am beaten all the time. *(Turning her body and face away with her left hand up she declares)* I do not want that school again! See, even Pamela changed schools *(she continues)* Madam Jane keeps beating me up and listening to lies every day. Mom, I no longer want that school.

The mother: My dear child I see that you are truly upset with Madam Jane.

Child: *(her voice getting emotional other than being upset)* I am actually not well, see, I have not even had lunch!

The mother: I suggest we go talk with Madam Jane

Child: Yes, go talk with Madam Jane. You remove me from her class into another class.

The mother: *in a calm voice the mom asks,* Do you agree that we can go tomorrow to have a talk with madam Jane? *Calming the daughter down she continues...* Calm down and then tomorrow we shall go to the school and talk with Madam Jane.

Child: *with hand gestures showing moving from one point to another* Yes, mom but ensure you shall remove me from that class..

The mother: That's okay, we shall go and you shall be removed from that class, when we get there we shall see where the problem is and find a solution. Is that okay?

Child: Yes, mom. *with a calmer voice.*
